Dear Justin,

Thank you for your patience. Is July 18th still a convenient date for Mr. Hilderbrand to meet with Secretary Zinke?

Micah directed me to you. Congressman Williams asked me to reach out and ask that Secretary Zinke consider meeting with Jeffrey Hilderbrand, founder, chairman and chief executive officer of Hilcorp Energy Company, an independent oil and gas explorations and production company headquartered in Houston, Texas. He will be in DC later in June and is flexible on the dates and times. I have copied Justin Furnace with his team to help coordinate. We appreciate your assistance in scheduling this meeting.
