Re: John Peterson, et al. v. Union Carbide Corporation

Dear Mr. Hollingshead:

My previous efforts to connect with you by phone have been unsuccessful.

When we met in your office on August 31st, you and I discussed the need to obtain the plaintiffs' experts' reports and the prospect of setting up a physical exam for Mr. Peterson.

I look forward to receiving the plaintiffs' experts' reports as we discussed.

Very truly yours,

John R. Downey
