FYI, my governor, Jay Inslee, just crashed the event on coal and nuclear in Bonn. His record on CO2 is horrible, so I thought I'd pass this along to you. You might be able to use it.

This is my tweet about his record:

<https://twitter.com/WAPolicyGreen/status/930129813876097024>

Jay Inslee isn't in a position to lecture anyone on CO2 policy.

Hope you are well.

Todd Myers
