Troy,

I'm glad to hear you are well. Good to have a better boss, too. He always knew his stuff when we were on the Hill back when.

I'm fine, working mostly on FAA and international tax stuff for the time being. And taking care of my family.

If things calm down for you – IF the Senate leaves in the late summer -- let's get together for coffee or lunch.

Stay in touch!

Jeff

Jeff, very kind of you to reach out. It's been a tough couple of months but I am doing well.

Andrew has hit the ground running and is already doing a fantastic job.

How are you?

You okay over there? I would think Andy would value your experience.
