Monsanto

FROM (NAME & LOCATION): W. B. Papageorge - B2SK

DATE : September 26, 1975

SUBJECT : PCB REVIEW

REFERENCE : Memo WBP to FJF, 9/19/75

TO : H. S. Bergen

cc: D. Bishop
D. L. Eby
T. H. Bottini
R. G. Potter
G. Roush
W. W. Withers

Attached is the proposed "Environmental Presence" portion of the Monsanto statement which is being prepared as outlined in the reference memo. This version incorporates all comments received.

Note the title change. This change was made to reflect the original intent of the statement which was to outline the existence of reports which described evidence of decreasing PCBs.
