Dear Ms. Garner:

Your form letter request dated August 26, 1977 addressed "To All Bondex Suppliers" and asking for verification regarding asbestos content of our products was given to me for reply.

Please be advised that the products we supply to Bondex, GM-30® Wheat Starch and GALACTASOL® 411 a guar gum derivative do not contain asbestos.

I hope this report satisfies your requirements with regard to this matter.

Very truly yours,
