gentlemen:

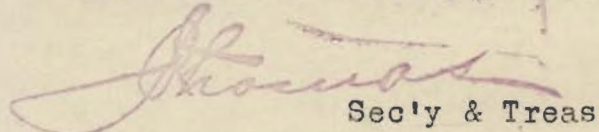

Yours of the 13th with enclosures duly received. We did not request you to prepare the minutes of the stockholders meeting, as we had a similar meeting when we increased the capital stock before and we have simply followed the minutes of that minute in writing up the minutes of the meeting on the 12th.

We sent by hand on the 15th, to your office, the certificate signed by each of the Directors. We also sent the original charter or certificate of incorporation, also certificate of amendment. We also sent you a check for \$240.00 to cover the items listed in your letter.

We trust that these were all duly received by you and that you have forwarded the matter to the Secretary of State so that the increase may be authorized promptly.

Yours truly,

General Asbestos & Rubber Co.
