Dear Pat:

This letter will acknowledge receipt of a draft from Nedbank Limited for the sum of \$50,000 (U.S.). On behalf of the Board of Directors of the A/C Pipe Producers Association, let me extend our most sincere thanks for your strong support of the asbestos-cement pipe industry.

The Occupational Safety and Health Administration proceedings are underway and I will soon be issuing a report summarizing health/regulatory issues related to crocidolite. As requested, regular progress reports will be issued thereafter. If you have questions at any time, please do not hesitate to call.

With best regards,
