**COUNCIL IS GIVEN
CONVENTION REPORT**

Reports of activities at the annual convention of the League of California Municipalities last week in Pasadena, given by Mayor John Telfer and H. V. Lockwood, deputy city clerk, occupied the major part of the city council meeting on Wednesday night.

Minor changes in the water system were discussed. The council authorized the purchase of a set of filing cabinets for \$15. Permission was granted the Methodist church to erect a sign at Fourth street and the Monterey highway.
