The Honorable David Bernhardt
Acting Secretary
United States Department of the Interior
1849 C Street Northwest
Washington, D.C. 20240

Dear Mr. Secretary:

On behalf of the U.S. Chamber of Commerce's Global Energy Institute (GEI), I congratulate you on your elevation to Acting Secretary.

With the change in leadership, I would like to request a meeting with you to discuss GEI's energy policies. Attendees of the meeting will include myself and Christopher Guith, GEI's Senior Vice President. We will work with your office to find a time that is convenient for you.

GEI, an affiliate of the U.S. Chamber of Commerce, was founded to unify energy policymakers, regulators, business leaders, and the American public behind a common strategy that ensures affordable, reliable, and diverse energy supplies, as well as one that improves environmental stewardship, promotes economic growth, and strengthens national security.

Thank you for your consideration of this request. Christopher Guith will follow up with your office to facilitate the details of this meeting. He can be reached by email at cguith@uschamber.com or by phone at 202-463-5582.

Sincerely,

Karen A. Harbert
