Treasurer's Office, Harvard College
No. 24 Milk Street
Boston,

November 20, 1934

Dr. David L. Edsall,
Dean of Harvard Medical School,
Boston.

Dear Dean Edsall:

I have yours of the 19th, and have made a change in our records so as to credit the gift from the Lead Industries Association to the Medical School instead of to the School of Public Health.

Yours very truly,

(Signed) Henry L. Shattuck
Treasurer
