Abbie,

Is there any effort underway to delay deadlines in Subparts OOOOb/OOOOc to reflect reconsideration, like the state planning process under Section 111(d) or to address issues like the RULOF limitations?

Abigale,

Has there been any schedule of action released regarding the Subpart OOOOb/OOOOc and/or the Subpart W regulations reconsiderations?

We have had some discussions with the technical staffs and are working on some ideas, but timing remains elusive.

Thanks.
