

1 A Yes, sir. In 1982 I accepted a position in
2 the administration of the larger Health Science Center
3 in Houston working for the president of the Health
4 Science Center to develop a function of environmental
5 safety for the six graduate schools and the other
6 facilities at the University of Texas Health Science
7 Center in Houston and became Director of Environmental
8 Safety for that institution.

9 Q During that time who did you report to?

10 A The president of the university. Excuse me,
11 president of the Health Sciences at the university.

12 Q Which is a separate thing, I guess?

13 A Yes, sir. I am sorry.

14 Q During that time period did you actually
15 conduct research into asbestos exposure?

16 A Yes, sir, on several different areas I did,
17 yes.

18 Q Okay. There is one other part about your
19 academic background that I would like to talk about
20 that I see from your CV, and that is I notice in 1988
21 you were appointed Associate Professor of Pulmonary
