Dear Mr. Kelley:

Please refer to your letter of January 23, 1967, addressed to the undersigned. This will acknowledge this letter as the agreed upon method of handling vacancies arising out of extended illness or injury.

Since our last meeting, during which we discussed the application of shift differential to day employees assigned to the second shift, I checked with Director Akin, who negotiated the first contract, and he does not recall any exceptions being made to the wording in the agreement.

Please advise if you feel other meetings should be held concerning this subject.

Very truly yours,

E.R. McAdams
Representative
