LEGISLATIVE ASSEMBLY

Notice of Question for WEDNESDAY, 9th August, 1978 1070

1070. MR. EARMAN, To the Minister for Mines:

When did the Mines Department first become aware of the dang of asbestos mining and milling and cancers of the lungs?

REPLY :

It was known in the 1930's that asbestos was harmful to heal and this would have been within the knowledge of the Mines Medical Officer.
