Subject: OPA

We are reorganizing our Office of Public Affairs to best make use of the talents of our staff. I wanted to ensure this list was aware.

Liz Bowman will be our Acting Associate Administrator for Public Affairs. I have asked that Liz make recommendations to me regarding the best way to organize the political staff in the OPA and how best to coordinate the political and career staff. She will also be the principal spokesperson for the EPA in this new acting capacity. With those recommendations, we'll make new organizational announcements of roles next week.

JP Freire will assume new responsibilities as a Senior Advisor to the Administrator for Public Affairs to help with strategizing and messaging.

Thank you all.

Ryan.
