Re: Nevada Power Company

Dear Randall:

We have concluded the marshaling of the EPRI documents. Those 8,000 pages have been reviewed from me and enclosed you'll find an abstract of those documents.

The EPRI depositions have been completed. Enclosed please find summaries (as opposed to abstracts) of the depositions that I attended concerning EPRI employees Gilbert Addis and Priscilla Bates.

I look forward to seeing you on November 20th.

Sincerely,
