Thank you, Richard! It was great meeting you, albeit somewhat late in the game. We will definitely be in touch.

Thank you for taking the time to meet with me, and discuss the issues of importance to Hyundai. If the Administrator or anyone else at the agency is interested in visiting our manufacturing facility in Montgomery, AL, I would be more than happy to help facilitate that trip. Our team at the plant routinely hosts policymakers and staff, most recently Senator Luther Strange and the Chief of Staff for Congresswoman Roby. Please keep us in mind, and thank you again for the time.
