Dear Dr. Snee:

The Editor is prepared to accept your manuscript entitled DEVELOPMENT OF AN AIR QUALITY STANDARD FOR LEAD FROM COMMUNITY STUDIES which you submitted in revised form. However, before we can send it to the printer, some changes concerning style and format are necessary. These are indicated on the enclosed copy revision memorandum.

We are therefore returning the manuscript to you for incorporation of these changes and whatever other revision you may care to make. As soon as we have the final draft (in duplicate) we shall proceed with publication.

Very truly yours,
