Dear Mr. Baum:

I received a copy of your summary of the March 24, 1988 pre-trial before Judge Dean Trafelet. I appreciate the thoroughness of the report.

I was out on a client visit the day you called our office for the Worker's Compensation lien amount. I trust that Alda was able to provide you with the information you needed.

If you need anything else from our file in order to continue to defend this claim, please let me know.

Sincerely,

Sheryl L. Carver
