

You welcome guests more gladly

When your home possesses individuality in design and decoration, you find increased happiness in it, and you're really glad to hear the bell that announces the arrival of guests.

Attractive walls

Your interiors are sure to be attractive and distinctive when walls and wood work are painted with Dutch Boy White-Lead mixed with Dutch Boy Flatting Oil.

Any tint

Soft, dull tints washable and durable. Carry out your own color scheme - you're not limited to stock tints.

Housewife portfolios of color plates, showing the latest ideas in home decoration, will be sent you for no cost. Ask them nearest office.
