Haven't gotten around to inviting them yet on this call because we were scheduling a few other issue related calls that will be before this one.

Still ok to include them?

How about 20 minutes? 10 minutes update and 10 minutes of questions. Will that give them enough travel time? We can have him kick off the call at 4 pm after I provide a short introduction.

Thank you for understanding! Could we maybe look at the 18<sup>th</sup> for the call? We are fairly flexible that day. He's traveling several of the next Thurs/Fridays.

It is not a problem – I am sure you all are extremely busy. I can set a call anytime that will be good for the Secretary's schedule. Because so many states are in legislative session, Thursdays and Fridays are best (in the afternoon so folks on the west coast can join us).

Looking at our network's schedule, the next few weeks are pretty open so we can be flexible if there are a few dates / times that work with his schedule.

Thank you!

Hi Jennifer,

Attached is the completed form requesting Secretary Pruitt to join our monthly State Energy / Environmental Policy Call. To expand the call to other key parties in the states, I can invite ALEC and RGA to participate. Our three organizations have been on a lot of policy related calls (healthcare and tax reform) together lately.

Background on this call:

We kicked off this call in December of 2015 with the goal of getting as many states as possible to submit requests to EPA for two-year state plan extensions, but after the SCOTUS stay the call transitioned into getting as many states to stop working on a plan. During session our weekly war room calls quickly became the go-to source for state action and info sharing. We not only have state and national think tank policy experts engaged, but also private industry and attorneys associated with state AG offices. We also deal with RPS mandates, carbon tax and messaging proactive free market solutions. The call is now on a monthly basis and would benefit greatly from receiving a first-hand update on changes we will see at the EPA, plus what support the agency needs during this transition.

Look forward to discussing this request. Thank you for your consideration.

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Monday, May 8 at 4:45 pm in the ALM Conference Room. The instructions/directions to EPA is below and if you have any questions please contact me. Please send me the name of the Board Members. Don't worry if some may not be attend, just give me all the names to prepare for security. Look forward to seeing you all.

**Directions:** If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the right heading toward 12<sup>th</sup> street, the South Lobby entrance is directly and immediately to your right (Glass Doors - EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12<sup>th</sup> and Constitution Avenues. It is almost exactly half way between the two avenues on 12<sup>th</sup> street with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.
