Mr. Steve Ashby
Lake Charles Chemicals
VCM Plant
VCM Plant Road
Westlake, LA 70669

Dear Steve:

It was a pleasure to speak to you again this week.

Regarding your upcoming interim testing program on October 14 and 15, enclosed are the following:

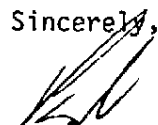

1. Urine containers - 100 (under separate cover)
2. Respirator Certification forms
3. Physician Health Examination Record forms
4. Scheduling sheets

It is my understanding that you will be obtaining your interim Medical History Questionnaires from Sid Pitts who has an ample supply. Please let us know if this represents any problem.

Our nurse will plan to arrive on October 13th. The time she arrives might be dictated based on whether you wish to have a meeting that afternoon or evening. Please let us know.

All of us look forward to again working with you and appreciate your assistance.

Sincerely,

Robert H. Demsey
Executive Vice President

RECEIVED

JAN 27 1981

MEDICAL DIV.

In order to make the most efficient use of the time required for medical examinations on January 27 and 28 it has been necessary to reschedule some employees for a different appointment time.

Each employee should check the attached, revised schedule for changes that may affect them and then be prompt in keeping their appointment.
