Onderwerp: Re: Invitation for meeting between CEO Solvay Mrs I Kadri and Minister for Climate Z Khattabi

Geachte [REDACTED],

Bedankt voor Uw e mail betreffende de ontbijtvergadering, aanstaande donderdag 27 januari, in de "Maison Ernest Solvay".

Mrs Kadri would like to Inform the Minister about the Solvay Carbon Neutrality target for 2040/2050 that we announced last October. She also would like to exchange thoughts with the Minister on the EU Green Deal and the EU CSS, as well as the efforts and innovations Solvay is making in being a key supplier for EV batteries, semiconductors and for the production of green hydrogen. This touches upon the issue of PFAS. Solvay is producing fluoropolymer (PVDF) which is an essential ingredient in EV-batteries and Semiconductors.

Mrs Kadri would also be interested to learn about the Minister's Circular Economy Plan she launch last month; in that respect Mrs Kadri will probably raise the issue of metals recovered from recycling of batteries (so-called black mass) to be of sufficient quality to produce new EV batteries; we are working in a project with Veolia on this. Currently the EU Parliament and Council are negotiating the EU Battery Directive - there is a risk that the black mass is not maintained in Europe but shipped to Asia. That would jeopardise maintaining this precious material in Europe to create a true circular value chain for EV batteries in Europe.

Graag tot uw dienst.
Met vriendelijke groeten.

De meeting between CEO Solvay Mrs Kadri and my minister, mrs Khattabi is scheduled on Thursday 27th. The minister would like to know if Mrs. Kadri would like to focus on particular topics.

Best regards,

Zakia KHATTABI

Onderwerp: Invitation for meeting between CEO Solvay Mrs I Kadri and Minister for Climate Z Khattabi

Dear Mrs [redacted] and Mr [redacted],

The meeting between Mrs Zakia Khattabi and Mrs Ilham Kadri during COP26 in Glasgow, wasn't regretfully possible due to ongoing covid pandemic.

Nonetheless, Mrs Kadri would like to meet with Mrs Khattabi, inviting her for a breakfast at the "Maison Ernest Solvay".

Possible dates are January 6th or 27th.

May I ask you to inform us if this would suit Mrs Khattabi?

Remaining at your disposal.

Thank you in advance.

Kind regards and best wishes for 2022.
