Lucy,

Many thanks for entertaining our request and apologies that our original invitation never made it to the Secretary's office. We had routed it through another contact to Winn Radford.

Thank you for your consideration. Please reach out if you have any questions.

On behalf of the Clean Energy Buyers Association (CEBA), I am honored to extend an invitation to Secretary Burgum or a delegate to join the Clean Energy Buyers Association Board of Directors and leadership team for a closed door discussion on March 5, 2025 at 5:00 PM (cocktails) or 6:30 PM (dinner). The event will be held at Dauphine's restaurant in Washington, DC. Alternatively, CEBA would welcome the Secretary to join our board meeting on March 6, 2025 between 9 am - 12 pm, at his convenience. CEBA's more than 400 members comprise one-fifth of the Fortune 500, represent more than \$22 trillion in market capitalization, and include institutional energy customers of every type and size – hydrocarbon developers, heavy industrials, hyper-scalers, advanced manufacturers, major agricultural producers, consumer brands, and enormous retailers. Our members, including Exxon, Walmart, Amazon, Cargill, Microsoft, Google and others, are committed to unlocking new market opportunities to bring firm carbon emissions free resources to scale to serve growing needs for load growth for energy security and energy abundance to support the 21st century industries of America.

Thank you,

The Honorable Doug Burgum
Secretary, U.S. Department of Interior
1849 C Street, N.W.
Washington, D.C. 20240

Dear Secretary Burgum:

On behalf of the Clean Energy Buyers Association (CEBA), I am honored to extend an invitation for you to join the CEBA Board of Directors and leadership team for a cocktail reception and/or dinner on March 5, 2025 at 5:00 PM (cocktails) or 6:30 PM (dinner). The event will be held at Dauphine's restaurant in Washington, DC.

CEBA's more than 400 members comprise one-fifth of the Fortune 500, represent more than \$22 trillion in market capitalization, and include institutional energy customers of every type and size – hydrocarbon developers, heavy industrials, hyper-scalers, advanced manufacturers, major agricultural producers, consumer brands, and enormous retailers. Our members are committed to unlocking new market opportunities to bring firm carbon-emissions free resources to scale to serve growing needs.

This reception and dinner will bring together our [board members](#) who include many of the largest electricity buyers in the country for a dialogue and collaboration on planning for load growth for energy security and energy abundance to support the 21st century industries of America.

We have been highly impressed by your thoughtful, strategic approach to driving an energy abundance agenda. Your presence and insights would be invaluable, and we would be privileged to host you as our esteemed guest. We hope this evening will provide a meaningful, closed-door opportunity to exchange ideas and hear first-hand from CEBA's member companies on how we can collectively work to expand critical industries and economic opportunity in the U.S.

We kindly request your confirmation by February 19, 2025. Please feel free to reach out to Nidhi Thakar, SVP Policy, at nthakar@cebayers for any additional details or questions.

We sincerely hope you will be able to join us and look forward to the opportunity to welcome you in person.

Warm regards,

Rich Powell

Lucy,

Thanks for the follow-up today. I sent the form to the folks at CEBA and they should be sending the form back to you.

Would you mind sending me the contact info for scheduling at DOE?

John

Kristin,

I told Rob that this request would be coming in. I hope the Secretary is able to accommodate this group.

Please let Tara or me know if you have any questions.

John Tanner

Thank you for considering our meeting request. Details below -

Meeting requested by: America Outdoors Association

Meeting Date: February 25, 2024

Meeting Time: Available 9:00 am - 12:00 pm

Location: The group would be happy to meet anywhere convenient for the Secretary. We're assuming the Dept. of Interior building. We also have a conference room located at 101 Constitution Ave. if that is helpful.

Meeting Agenda - America Outdoors Association is an association of professional outfitters organized to help people experience the great outdoors. They believe the outdoors should be accessible to all, and are committed to ensuring the outfitters in the outdoor recreation industry have a voice.

The group would like to discuss the implementation of the GAOA and Explore Acts, as well as the recently announced hiring freeze.

Hello,

Attached please find a meeting request for Secretary Burgum to meet with bp ceo Murray Auchincloss at CERAWEEK next week in Houston, Texas. Murray would like to discuss bp's investment in the US with Secretary Burgum, with a focus on our planned growth in the Gulf of America.

Please let me know if you have any questions.

Lucy,

Please see the attached request. I have copied Nidhi from CEBA on this email.

On behalf of the Clean Energy Buyers Association (CEBA), I am honored to extend an invitation to Secretary Burgum or a delegate to join the Clean Energy Buyers Association Board of Directors and leadership team for a closed door discussion on March 5, 2025 at 5:00 PM (cocktails) or 6:30 PM (dinner). The event will be held at Dauphine's restaurant in Washington, DC. Alternatively, CEBA would welcome the Secretary to join our board meeting on March 6, 2025 between 9 am - 12 pm, at his convenience. CEBA's more than 400 members comprise one-fifth of the Fortune 500, represent more than \$22 trillion in market capitalization, and include institutional energy customers of every type and size – hydrocarbon developers, heavy industrials, hyper-scalers, advanced manufacturers, major agricultural producers, consumer brands, and enormous retailers. Our members, including Exxon, Walmart, Amazon, Cargill, Microsoft, Google and others, are committed to unlocking new market opportunities to bring firm carbon emissions free resources to scale to serve growing needs for load growth for energy security and energy abundance to support the 21st century industries of America.

Thank you,
John
