Brothers Reunited After 34 Years

LOS ANGELES—(UP)—Ernest Haney, 54, of Seattle, and his brother Paul, 40, were reunited yesterday after 34 years.

"You've got to account for a lot of years, huh," Paul, an aircraft worker, told Ernest as the older brother stepped off a TWA Airliner from Phoenix.

Ernest, a carpenter, lost track of his family while he was in the Navy in World War I. His mother had died and his father had taken the rest of the family to California. After searching off and on for 34 years, Ernest finally located his sister, Mrs. Charles Bridges, in Phoenix. He learned Paul's address from her.

Beware Coughs Following Flu

After the flu is over and gone, this cough that follows may develop into chronic bronchitis if neglected. Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ-laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.
