PLAINTIFF'S EXHIBIT

CAP-860

February 24, 1984

Dear Exhibitor:

RE: Southwest-Texas AWWA Conference
Little Rock, Arkansas - October 14 - 17, 1984

We realize this message will be received well in advance of our October Conference but the Committee thought that an early reminder would be appreciated. I believe most of you, if not all, are aware that both sections have agreed to exhibit this year and a detailed program (i.e., exhibit times, booth selections, etc. etc.) will be mailed out at the appropriate time.

The Conference site will be the beautiful "New" Excelsior Hotel/Statehouse Convention Center in downtown Little Rock. One of the many unique features this facility offers is....The Exhibit Hall is located on the lower level of the hotel, which is mighty convenient for us exhibitors. Not all of you will take advantage of this opportunity, but all are eligible and encouraged to participate.

Hence, set aside the above referenced dates to participate as an "Exhibitor" in the heart of the Southwest. During the coming weeks you will receive more information concerning the specifics.

Sincerely,

Southwest Section AWWA

Jim Patton
Chairman, Mfgs. Time & Place Committee
