Scott, Ryan,

At our April 5th meeting, CSRIA recommended that a ESA Committee (God Squad) process checklist could be jointly reviewed, with the intent of clarifying how the process would be directly applied to ending the Columbia-Snake River ESA litigation (25-years). The attached includes a two-page checklist that should contribute to a better understanding of the picture.

I have asked our legal counsel, James Buchal, to forward such to the DOJ's office, as well.
