Dear Dr. Grant:

The Occupational Health Program, National Center for Urban and Industrial Health is sponsoring a one-day invitational seminar on respiratory protection for asbestos workers on February 6, 1968, at our Facility in Cincinnati. An agenda is enclosed.

The participation of informed industrial representatives is essential if the maximum profit is to be obtained from this meeting. We hope, therefore, that you can attend or suggest another suitable representative. Anyone you suggest will be welcome.

Sincerely yours,

Howard E. Ayer
