

COMMUNITY PAINT AND VARNISH DAY SATURDAY, MAY 12

If you are planning to paint your house this Spring:

If you are building a new home which you want decorated in the best and most tasteful manner:

If you are going to do any redecorating this year:

Or if you want suggestions on brightening up the little things about the house to make your home more worth living in:

Come in during the big paint and varnish demonstration.

Paint expert from The Sherwin-Williams Co. here all day to give you any information you want about painting.

Bring the floor plans of your home and we will work out a set of color elevation sketches for the decorating.
