Cadillac Wallpaper Co. Inventory

On sheet No. 35 of the Cadillac Wallpaper Company's consignment inventory, Unmanufactured Merchandise, next to the last item, you have extended one package of 200# Whiting at \$3.20. Your cost is apparently \$1.60 for 100 - 200# packages, which should bring your inventory figure down to either \$3.20 or \$1.60.

Please make the proper correction and advise us what figure should be shown.

L. REESE,

Comptroller.
