Dear Duane:

Thanks for your kind letter of May 19.

For your information I am enclosing a copy of the draft of the Bill which will be co-sponsored by Senators Hugh Scott and Everett M. Dirksen. Should IMA's Board of Directors have any comments I should be happy to receive them, even though they may decide against your writing to lend IMA's recognition to the importance of Industrial Hygiene, as defined therein.

With best personal regards.

Sincerely,

Robert T. P. deTreville, M.D.
President

S.J. RES.

(Note.—Fill in all blank lines except those provided for the date and number of resolution.)

IN THE SENATE OF THE UNITED STATES

Mr. DIRKSEN (for himself and Mr. Scott)

introduced the following joint resolution; which was read twice and referred to the Committee on

JOINT RESOLUTION

To authorize the President to designate the period beginning October 12, 1969, and ending October 18, 1969, as "National Industrial Hygiene Week".

Resolved by the Senate and House of Representatives of the United States

of America in Congress assembled, That, in recognition of the need to preserve the Nation's primary natural resource--its employed population, and in recognition of those individuals and organizations seeking to protect and improve the health of the Nation's work force,* the President is authorized and requested to issue a proclamation designating the period beginning October 12, 1969, and ending October 18, 1969, as "National Industrial Hygiene Week", and calling upon the people of the United States and interested groups and organizations to observe such week with appropriate ceremonies and activities.

*through the coordinated scientific measures, technological and engineering controls which characterize industrial hygiene,
