me finish, I am sorry.

All of the employers are standing together in their opinion that not only is the demand completely ridiculous, but that such a situation is not a matter for local consideration, but for national action if it is to be considered at all.

Part of the problem has arisen as a consequence of a hospital report on Roy Van Alstyne, the local's business agent, that he cannot work again because he has asbestos poisoning.

Nobody is quite sure what that disease is, but the men have become emotional about the problem. This is dated May 18th.

The next document, 1955, and it is our OCF Exhibit 52.

THE COURT: It will be admitted in evidence.

(Whereupon, Plaintiffs' Exhibit Number OCF 52 was received into evidence.)

MR. SMITH: Follow-up to the earlier document. When you answer Bob McArthur's letter of
