Re: vs. The Sherwin-Williams Company
Cuyahoga County Court of Common Pleas
Case No. CV-276119

Dear Mr. Pavlik:

At the Case Management Conference recently held in the captioned case your colleague, Mr. Brady, raised the question of settling this matter. I invited him to submit a reasonable demand.

Since that time I have spoken with our client and have been authorized to inform you that, notwithstanding the fact that the time within which a claim for non-industrial benefits has passed, in an effort to fully and finally resolve this case The Sherwin-Williams Company - Sprayon Division is willing to waive said filing period and to process and pay application for non-industrial benefits. In view of the minimal REDACTED period of time lost from work and the absence of any significant medical treatment I strongly urge you to recommend this method of resolving this case to your client.

May I hear from you in the near future in this regard?

Very truly yours,

F. Daniel Balmert
