DEAR JIM:

I WISH TO ACKNOWLEDGE RECEIPT THIS MORNING OF THE COPY OF YOUR LETTER SENT TO MORRIS LIEFF CONCERNING A POSSIBLE MEETING OF THE COMMITTEE WITH DR. SELIKOFF. MORRIS HAPPENED TO CALL ME SHORTLY AFTER RECEIPT OF THIS LETTER, AND WE DISCUSSED THE SITUATION. HE IS WONDERING IF IT WOULD NOT BE WISE, AT THE MOMENT, TO AWAIT A REPLY FROM JOHNS-MANVILLE CONCERNING THE LETTER WHICH YOU WROTE TO THEM PREVIOUSLY.

SINCE THIS THREAT IS OF TREMENDOUS SCOPE WHICH INVOLVES LARGER PEOPLE IN THE ASBESTOS FIELD THAN THE SPRAYED MINERAL FIBRE MANUFACTURERS' ASSOCIATION, PERHAPS IT WOULD BE WISE TO GET THEIR OPINION AS TO A COURSE OF ACTION BEFORE MAKING APPROACH TO DR. SELIKOFF. I THINK WE OUGHT TO DISCUSS THIS AS QUICKLY AS POSSIBLE, ARRIVE AT SOME DETERMINATION, AND ARRANGE TO SEE DR. SELIKOFF IF IT IS DETERMINED THAT WE DO NOT WAIT FOR THE REPLY FROM J-M.

WITH kindest regards.

VERY TRULY YOURS,
