AIR MAIL

American Air Filter Co., Inc.
First & Central Ave.
Louisville, Kentucky

Gentlemen:

We are installing two 3-stage 500 Psig Air Compressors for soot blowing at our El Paso plant, and would like to obtain a quotation on suitable cycoil type intake filters.

Date on each compressor unit are as follows:

- | | |
|--------------------------|----------|
| 1. Piston displacement | 980 CFM |
| 2. Compressor speed | 500 RPM |
| 3. Suction press | Atmosph. |
| 4. Discharge press | 500 PSIG |
| 5. Volumetric Eff. | 81.5% |
| 6. Elev. above sea level | 3700 |

Please include mounting dimensions, descriptive material, pressure loss, and delivery date in quotation submitted.

Very truly yours,

LEROY FRUWIN
Resident Construction Engineer
