KELLY-MOORE-PACO TEXTURES

San Carlos, CA 94070

Dear Doug:

This letter confirms the visit that Edward Drake, Pacific Division Industrial Hygienist and I made to the PACO FACTORY on Tuesday July 1, 1975.

Mr. Bill Gonzales was most helpful in providing all that we needed during our visit. Please extend our thanks to him.

As you know, the samples must be returned to our HOPKINTON, MASS laboratory for analysis. I expect that the results will be returned within 30 to 45 days. A formal report will be submitted at that time.

Cordially,

Michael H. Love
Senior Loss Prevention Representative
