Bernard Stierstorfer, 20-year-old Army veteran, built a U-control plane in the shop.

"I only wish there had been something like this in my neighborhood when I was a kid," he said.

Trollope (1815)—and another has produced a book housing three "Victorian" novels. There will be plenty of nostalgia there for some.

Henry James (1843-1916), the tortured stylist of American realism, likewise has suddenly come to the front. Several of his novels currently have been reprinted, a couple of books have been written about him.

for West Point and three for competitive examinations for Annapolis?
