Dear [REDACTED]

I would like to inform you that AGC has submitted our response to the UK PFAS CfE (Response ID: ANON-1AY3-85KC-S). Our response is divided in to three sections (as Confidential attachments), one addressing GB manufacture, the second for imports of substances or mixtures and the third about our import of articles.

We would be pleased to engage further in the GB PFAS assessment process in addition to the substance specific evaluations we are already contributing to with [REDACTED] at the EA. I will also send you some feedback about the grouping section from the PFAS RMOA next month.

With kind regards,

[REDACTED]
