TO THE TRADE:

In connection with my WHOLE-SALE DRUG BUSINESS, I have established a Paint and Color department, and my stock will be found full and complete, and no house can offer better articles at lower prices. I ask a careful perusal of the prices; the quality of each brand I guarantee equal to any make at a corresponding price.

Our two qualities and brands, COLORS GENUINE and PREMIUM, also our HORSE HEAD BRAND WHITE LEAD, are well known throughout the United States, having obtained their high reputation not only for their superior and uniform quality, but for the unequalled style we put them up in. Cans of every size in stock from quarter pound to fifty pounds each, having on our elegant LITHOGRAPHIC GOLD AND COLOR LABEL. Prompt shipment and satisfaction in every particular guaranteed. Special quotations for large lots will be made to you same day your inquiry is received.
