

Tenneco Chemicals

A Tenneco Company

Organics and
Polymers Division

P.O. Box 116
Burlington, New Jersey 08016
(609) 386-9200

NOTICE

The following changes in the Quality Control Department at Flemington were effective September 1st:

1. D.J. Krzywicki became Supervisor of the Quality Control Testing Laboratory, replacing R.A. Lojewski. Don has been with the company since 1960, with responsibilities in Technical Service and R&D. His most recent assignment was as a Development Chemist in the Resins Group.
2. R.A. Lojewski became Group Leader, Manufacturing Analytical Services. Ray has been with Tenneco since 1965, with experience in analytical testing and quality control.
3. T. Cader joined Manufacturing as a Junior Chemist, Analytical Services, reporting to Mr. Lojewski. Ted has been employed in the Tenneco R&D Laboratory for two years, with most of this time spent in rigid film and resin development.

I am sure you will all join me in wishing these gentlemen success in their new assignments.

W.C. Champion
Supervisor, Quality Control
