

1 Industrial Hygiene. Archives of Environmental Health,
2 American Industrial Hygiene Journal, Industrial
3 Hygiene and Toxicology, British Journal of Industrial
4 Medicine, the Annals of Occupational Hygiene.

5 Health hazards information, relative to
6 asbestos hazards, is maintained at the Industrial
7 Hygiene Laboratory and Employee Health Services.

8 Next, reading from the same set of
9 interrogatories, which is the last one, is
10 interrogatory number 18.

11 Describe, in detail, the packages in which
12 you would distribute or deliver asbestos products to
13 the wholesaler or retailer for resale to companies,
14 such as plaintiff's employer, stating the type of box
15 or package used, the date of each type of box or
16 package used, a physical description thereof including
17 the size and color of the box or package, a
18 description of the size and color of any printed
19 material that appeared on or in said box or package,
20 stating a verbatim statement of any warnings or
21 cautions, the date each such warning or caution was
