BLACK LAKE, QUEBEC

April 28th, 1965.

Mr. K.V. Lindell, Chairman of the Board,
Canadian Johns-Manville Co. Ltd.,
Asbestos, P.Q.

RE: Request of Dr. MacDonald.

Dear Karl:

This will acknowledge yours of April 5th and we are willing to co-operate and give Dr. MacDonald any data that may be of value to him in his studies and I see no problem in him talking to the Union while here.

Please have him contact Mr. Leopold Poulin when he makes his visit.

Yours truly,

Michael J. Messel.
