Hey David, Press is welcome to attend. You don't need to preregister, but please make sure to identify yourself as such when you arrive. If you have a congressional press pass (or other pass issued by similar state or local body), that will be acceptable.

Hello,

I plan to cover the upcoming CPP hearings in Charleston, WV. I don't know if you have yet announced the exact building in the Caoitol Complex where they will be held. Also, when you first announced the hearings, I requested any information regarding press credentials but have not yet received a reply. Hope to hear from you.
