Subject MEDICAL HISTORY QUESTIONNAIRE

On page 3 of the Medical History Questionnaire, Item number 4, under "reminders" states that the testing results are sent by Conoco to the physician designated by the employee on page 2. This is not being done by the Medical Department since Dr. Massad gives the results to the employees.

Should this question arise, please notify the employee that he was given a copy of the testing results to send to his/her physician. When questionnaires are reprinted we will attempt to make this clearer.
