Nancy,

Thanks for sharing your vote. Stu and I will do everything we can to be strong stewards of Shell's investment in this very important study.

Regards,
Patsy

Patsy-I voted to continue program with current plan/increase share cap/continue recruiting with the expectation Shell's share (% of increase) will not go up. Otherwise, have to reevaluate.

To Benzene OC -

The votes are in and they are mixed. This information has been forwarded to ChevronTexaco for further action.

So we may or may not have definitive answers by next week.

It might worth considering various scenario planning at our meetings next week.
