**Subject:** FYI - Turnpike Service Plazas

Please see below from the Florida Department of Transportation.

Thanks,

Governor's Press Office

---

The Florida of Department of Transportation will be closing the Florida Turnpike Fort Pierce and Fort Drum service plazas at 8:00pm EDT.

The Canoe Creek, Turkey Lake, and Okahumpka Turnpike Service Plazas will remain open.

The remaining plazas will be closed from south to north as conditions worsen. DOT will close each in time to secure equipment and evacuate our staff prior to the arrival of TS force winds.
