Thanks, Aurelia for the heads up. 3 pm still works as we have a couple of the wind companies attending I believe. We will talk via phone, Aurelia and look forward to seeing you, Noah!

Best,

Allison

Subject: Meeting Today

Allyson,

My apologies, I have been asked to travel for a meeting early this afternoon and will not be able to attend in person, but I can call into the meeting. Noah Matson was scheduled to attend the meeting with me and he is still available to meet in person. Please let me know if this works for you and your team to still meet at 3pm today. Thanks.
