Subject: John T. Lewis and Brothers Co. Merger into National Lead Company

To complete the subject merger, Sharon Oberman has forwarded to me for completion, 27 Pennsylvania tax returns covering the years 1950 through 1976. I have spoken to Frank Rogers of C.T. Corporation Trust Co., and he suggests that in lieu of filing the tax returns, it may be appropriate if an officer would sign a statement indicating that John T. Lewis and Brothers Co. has been inactive during the period.

It would be appreciated if you could handle this matter.
