THE ADMINISTRATOR

Mark,

Thank you for meeting with us today about the issues of importance to the Kentucky Association of Electric Cooperatives. It was a great opportunity to discuss the new direction of the EPA. And, it is my hope that we can reestablish the trust and confidence of those in your industry.

I very much enjoyed the dialogue and am blessed by the support expressed to me by the group.

All the best,

A handwritten signature in black ink that reads "Scott".

E. Scott Pruitt

A handwritten note in black ink that reads "Great to meet you!".
